

# Dedicated Server Premium

## Factsheet

### Details

HDD drives	Price per month and unit
HDD 1.2 TB SAS, 10.000 U/min, Small Form Factor	CHF 15.60
HDD 1.8 TB SAS, 10.000 U/min, Small Form Factor	CHF 20.-
SSD drives	Price per month and unit
SSD 480 GB SATA for mixed use, Small Form Factor	CHF 30.90
SSD 800 GB SAS for mixed use, Small Form Factor	CHF 48.80
SSD 1.6 TB SAS for mixed use, Small Form Factor	CHF 90.50
Second CPU	Price per month and unit
Intel Xeon Silver 4210 CPU (10 Core) for Model 1	CHF 76.70
Intel Xeon Gold 5218 CPU (16 Core) for Model 2	CHF 122.50
Memory	Price per month
32 GB RAM expansion (2Rx4 PC4-2666V-R)	CHF 28.50
Second power supply	Price per month
HPE 800W Flex Slot Platinum Power Supply Kit, low halogen	CHF 7.90

## Service & Options

Server		
<b>Processor</b>	Modern server CPUs from Intel for high performance.	Intel Xeon silver 4210 (10 core) Intel Xeon gold 5218 (16 core)
<b>Storage</b>	Since the hard drives are mirrored if more than two disks are in use (RAID 1), a defective hard drive does not cause any loss of data.	HDD to 1.8 TB SSD to 1.6 TB
<b>Management interface</b>	For managing the dedicated server, especially the stop and start functions, even if its operating system is no longer available.	Included
Operating systems		
<b>Operating system installation</b>	<p>This service package includes:</p> <ul style="list-style-type: none"> <li>RAID configuration</li> <li>Installation of the operating system incl. available updates</li> <li>Functional check</li> <li>Configuration and delivery of administrator access data</li> </ul> <p>Installation costs are waived if the dedicated server is provided without an operating system.</p>	One-time fee of CHF 150.00
<b>Windows Server 2019 Essentials</b>	<p>With up to 25 users, the Essentials Edition is the ideal server operating system for small businesses.</p> <p>It includes numerous new functions of the larger editions, for example the Windows Admin Center and System Insights. The licensing model is as simple as the predecessor.</p>	CHF 18.95 per month
<b>Windows Server 2019 Standard</b>	<p>The Standard Edition is suitable for users who only need a few virtual machines with Windows Server.</p> <p>In addition to the installation on the physical hardware, the standard license also allows two virtual machines on which Windows Server also runs. There is no limit for Linux VMs.</p>	Per month: 16 Core CHF 41.90 24 Core CHF 62.80
<b>Linux Server</b>	<p>Choose from the following Linux operating systems:</p> <ul style="list-style-type: none"> <li>CentOS</li> <li>Ubuntu</li> <li>Debian</li> </ul> <p>An up-to-date version (stable) comes preinstalled. An SSH connection is provided for access.</p>	CHF 0.– per month

<b>Without</b>	The dedicated server is provided without an operating system; this leaves you free to install another OS or virtualization systems. The one-time installation fees are waived.	CHF 0.– per month
<b>Network options</b>		
<b>2-server crossover</b>	This option lets you establish a direct link between two dedicated servers.	2 x CHF 2.50 per month
<b>16 IP addresses</b> (/28 subnet)	Optional: 16 static IP addresses (therefrom 13 IP addresses are usable ) instead of 8 IP addresses (standard)  Use per IP (/28 subnet): 1. IP: Subnet ID 2. IP: Gateway 3. IP: KVM/ILO (usable) 4. IP: Server itself (usable) 5-15. IP: free (usable) 16. IP: Broadcast	CHF 80.– per month
<b>32 IP address</b> (/27 subnet)	Optional: 32 static IP addresses (therefrom 29 IP addresses are usable ) instead of 8 IP addresses (standard).  Use per IP (/27 subnet): 1. IP: Subnet ID 2. IP: Gateway 3. IP: KVM/ILO (usable) 4. IP: Server itself (usable) 5-31. IP: free (usable) 32. IP: Broadcast	CHF 140.– per month
<b>Software Optionen</b>		
<b>Plesk Web Admin Edition</b>	The best way to manage websites and servers <ul style="list-style-type: none"><li>• 10 domains</li><li>• WordPress Toolkit SE</li></ul>	CHF 10.90 per month
<b>Plesk Web Pro Edition</b>	The perfect solution for web developers and designers <ul style="list-style-type: none"><li>• 30 domains</li><li>• WordPress Toolkit SE</li><li>• Developer pack</li><li>• Subscription management</li><li>• Account management</li></ul>	CHF 14.90 per month
<b>Plesk Web Host Edition</b>	The perfect platform for your hosting business <ul style="list-style-type: none"><li>• Unlimited domains</li><li>• WordPress Toolkit SE</li><li>• Developer pack</li></ul>	CHF 44.90 per month

- Subscription management
- Account management
- Reseller management

#### Data center and Network

<b>Server location</b>	Hosting in our data centers	Switzerland
<b>Certification</b>	We are ISO 27001 certified and meet many other certification standards	ISO 27001, ISO 50001, Tier III, Finma
<b>Bandwidth</b>	Shared bandwidth, is provided on a “best effort” basis. Fair use policy applies for use.	1 Gbit/s
<b>Traffic per month</b>	Use in accordance with the fair use policy	Unlimited
<b>IPv4 addresses</b>	A /29 subnet (8 IP addresses, 5 usable) is included with all dedicated servers. Optional extensions are available.	8 IP-Adressen
<b>IPv6 addresses</b>	A /64 subnet is included with all dedicated servers.	Included

#### Security and Support

<b>24/7 monitoring of the infrastructure</b>	The infrastructure round the Dedicated Server is permanently monitored to ensure maximum availability.	Included
<b>Free support</b>	Free support is available by phone, e-mail or Web form in the event of disruptions or if you have any questions regarding the Dedicated Server.	Included
<b>Redundancy</b>	Network connection up to the Access switch is redundantly designed.	Included
<b>UPS and emergency power</b>	Emergency power solutions for a continuous power supply even in the event of the total failure of the power supply.	Included

## Licensing and contract

Independent licensing

### Your benefits

- You use your own server licences, in particular for Windows and other Microsoft products
- On withdrawal from the contract you have the option of taking over the server
- No licensing in accordance with Microsoft SPLA required
- No mandatory logging of licenses vis-à-vis green.ch

The licenses for the Microsoft Windows operating system can be supplied with the server. Other licenses such as Office, MS SQL, Exchange, etc. can be obtain
